Hello all Delahunt golfers. Golf season has started! Unfortunately, the COVID-19 virus continues to spread across the province and has caused serious issues for individuals & businesses here in Manitoba. Delahunt Golf & Country Club recognizes the seriousness of the impact this virus is having and that the well-being of our staff and the general public is the number one priority. For this reason, we expect that all those who come to the golf course are strictly abiding by the rules that have been put in place by the government to protect everyone.

These are extraordinary times and they call for extraordinary measures. If guidelines are not followed we could be shut down or fined \$5000 because of just one person not abiding by our regulations.
